**1. Joint Meeting with School Board**

a. Review of School Construction Plan

(Reviewed by School Superintendent and Architect Phil Pappas; advised cost of new elementary school estimated at \$120.00 per square foot; Board requested staff review and report back on the amount estimated in building up county reserves over the next few years due to recent real estate tax increase; and provide Board with a new financing table for the new elementary school not including the \$650,000 appropriation by the Board of Supervisors via the next weekly update)

Mr. Huber

b. Financing Resolution

(Approved resolution authorizing an application to the Virginia Public School Authority for the sale of School Bonds not to exceed \$12,500,000; send copy of resolution and other appropriate documents to Virginia Public School Authority)

Mr. Huber/  
Ms. Hanks

c. Review of Long-Term School Construction Plan

(Reviewed priority listing of long-term school construction plan; priorities listed in order as follows by School Board:

1. Claremont/Northwood
2. Riverlawn
3. Dublin Elementary
4. Draper/Newbern
5. SWVA Governor's School
6. Pulaski County High School addition
7. Middle School

(Board requested staff to provide a per year chart on estimated debt service on all school building projects proposed as well as other county debt)

Mr. Huber

(School Superintendent and County Administrator requested to provide figures to public on the estimated construction costs of the school buildings)

Mr. Huber/Dr. Stowers

- d. Summary of Other Cooperative Efforts (time permitting)  
(No report given)

2. **Other Matters**

- Scheduling of Administrator's Evaluation  
(Meeting scheduled for September 24, 2002 at 7 p.m.;  
advise news media as appropriate)

Ms. Hanks

3. **Adjournment**
