

**PULASKI COUNTY
SCHOOL BOARD AND BOARD OF SUPERVISORS
JOINT MEETING**

**Pulaski Elementary School
Monday, October 1, 2007
6:30 p.m.**

AGENDA

1. **Welcome and Dinner** – The School Board staff plans to provide dinner.
2. **Health Insurance and Wellness Issues** – Carol Forester, Senior Employee Benefits Consultant, Paige Smith Senior Financial Consultant, both of which are with Hilb, Rogal, Hobbs have been invited to attend for the purpose of discussing the causes of increasing health insurance costs and measures that the Board of Supervisors and School Board can take to slow the increase. Specifically, what are the major factors that influence rates and increases in rates from year to year? What are the national and regional average increases in rates from one year to the next? What can we do to the plan design to minimize an increase to our rates? Can we as a consortium buy a stop loss coverage insurance that would help minimize large claims? How can a wellness program help mitigate a cost increase?
3. **Office Locations** – The Board of Supervisors are in the process of addressing the need for additional office space through the purchase of the Maple Shade Shopping Center building. The resulting move of court services from the County Administration Building would allow the School Board staff to join the Board of Supervisor staff working in the County Administration building following renovation of the space currently used by Social Services. Co-location of staff would result in more efficient staff interactions furthering cooperative efforts while eliminating the need for continued office space rentals. Glenn Reynolds has been invited to the Joint Services meeting should either board have questions. **Enclosed** is a chart describing the overall effort in providing staff with efficient and attractive working environments.
4. **Reassessment Contract Approval**- Approval of the **enclosed** is contract is requested, subject to review by the County Attorney.
5. **Other Matters**
6. **Adjournment**
