

TO: **CONTRACTORS, SUB-CONTRACTORS, TRADESMAN, and HOMEOWNER'S**

FROM: Edith A. Hampton, Acting Building Code Official

SUBJECT: **REQUESTING CERTIFICATOIN FOR TRADESMAN**

Effective **July 1, 2000** before the County of Pulaski Building Department will approve any installation of **Electrical, Plumbing, HVAC, or Gas installation we will require the name, address, telephone number, company name, and tradesman certification classification of the company or installer of the system.**

I'm sure that we are all aware of the Virginia Board for Contractors regulations and their required certification. If you don't understand the rules and regulation governing certification I would suggest that you order a pamphlet from the Tradesman Program, Board for Contractors in Richmond. The telephone number is 804-367-8511.

If you will please leave the requested information on your installed system it will expedite the approval of your inspection request.
