# Pulaski County Public Service Authority Utility Relief Program

## Introduction

The Commonwealth of Virginia has made a limited amount of CARES Act funding available for those experiencing financial hardship directly related to the COVID-19 pandemic who are municipal utility customers.

## Eligibility

Active residential or commercial customers of the Pulaski County Public Service Authority (PSA) are eligible who:

- Are experiencing financial hardship directly related to the COVID-19 pandemic, and
- Have utility arrearages for water and/or sewer which were incurred between March 30 and December 30, 2020, and
- Complete and submit an application and attestation form.

## How to Apply

The program is administered through Pulaski County in conjunction the Pulaski County PSA. Application forms are available on the Pulaski County website: [www.pulaskicounty.org](http://www.pulaskicounty.org). **Applications will be accepted by mail, online, email, by phone, or via the drive through at the PSA office in Dublin VA until January 20, 2021** or until available funds are depleted.
